Yes, that would be perfect. Thursday is even better since I will be in the office.

Take care, it's just easier to talk through your request.

Perfect! For now, some of the GNETS Directors and I met and came up with a few ideas of how we can reinvent/redesign GNETS to provide services better and/or differently. The committee and I want to know if you're willing to meet with us and discuss these ideas and tell us what's possible/permissible and what's not before we go deeper with these suggestions or would you prefer we draft the ideas first and share them with you and we brainstorm from those ideas and/or others? Please let us know. Thanks!

No, I'm in Atlanta. I usually don't attend GCASE. I will talk with you when you have a moment to spare!

Take care,

Clara,

Good morning! How are you? I hope all is well with you. I'm in the GNETS Directors meeting right now so I can't call you. Are you here at GCASE this week?

Hi Clara,
I hope all is well with you. I'm here with some of the GNETS Directors and we're brainstorming potential service delivery model changes for GNETS. Are you available for us to give you a quick call? If so, may I have your cell number? My cell number is: 404-993-4601.
Thanks!
